Waukegan Savings Bank Begins Partnership With DePaul University

Waukegan Savings Bank is pleased to announce the beginning of our partnership with DePaul University. We are the exclusive Lake County based bank/credit union partner of DePaul Blue Demons Athletics. A proud partner of one of the finest academic institutions in the country, we are pleased to support the students, faculty, and alumni of DePaul University.

"We are very excited to begin our partnership with DePaul Athletics. DePaul has very strong ties to Lake County and it is phenomenal how strong their demographics match our target audience," said JT Primack, Waukegan Savings Bank Marketing and Sales Director. "One of our goals as we have sought to re-engineer and re-shape Waukegan Savings Bank the past few years has been to develop strong, unique, and identifiable partnerships with quality organizations that work with us to help meet goals important to them while simultaneously helping us establish our bank as a serious and truly viable business banking partner in commercial lending and cash management services. I am proud to say DePaul is a cornerstone partner in what we are seeking to accomplish long-term and we look forward to working with them for a very long time."

WSB and DePaul Athletic Programs

Waukegan Savings Bank is a proud supporter of many DePaul athletic programs such as Men's and Women's Basketball, Men's and Women's Soccer, and Women's Softball. We have a presence at each athletic event spanning a large and diverse geographic area including AllState Arena in Rosemont, where Men's Basketball plays home games to McGrath Arena on DePaul's Lincoln Park campus in Chicago, home to Women's Basketball. We invite our customers, business partners, and fellow Lake County area residents to join us at DePaul athletic events.
